

Capabilities Statement

Matos Builders is a general contracting firm with a 15-year history of completing complex projects for federal customers in mission critical and occupied environments.

About Matos

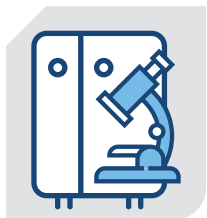

Federal agencies, DoD contractors, health care and institutional facilities have relied on our company to deliver high-quality construction, facilities, environmental abatement/remediation and demolition services.

As an 8(a), HUBZone, and Veteran-Owned business, we are uniquely positioned to leverage our technical expertise on our customers' most challenging projects, and we are committed to delivering personalized service to meet their needs. Our extensive experience operating in complex facilities environments has made us a go-to resource for the "headache" projects.

Self Performance

Matos is a hybrid General Contractor that self performs essential tasks to ensure projects stay on schedule with no cost overruns.

Our self-performance areas include:

LABORATORY
CASEWORK,
EQUIPMENT

DEMOLITION/
ENVIRONMENTAL
SERVICES

CARPENTRY

ELECTRICAL
